Forward Looking Statements

The foregoing release contains forward-looking statements as defined by the Securities and Exchange Commission. All statements, other than historical facts, that address activities, events or developments that Diamondback assumes, plans, expects, believes, intends or anticipates (and other similar expressions) will, should or may occur in the future are forward-looking statements. The forward-looking statements are based on management's current beliefs, based on currently available information, as to the outcome and timing of future events, including the current industry and macroeconomic conditions, commodity pricing environment, production levels, any future regulatory actions affecting Diamondback, the impact and duration of the COVID-19 pandemic, acquisitions and sales of assets, drilling and capital expenditure plans, environmental targets and initiatives and other factors believed to be appropriate. Forward looking statements are not guarantees of performance. These forward-looking statements involve certain risks and uncertainties, many of which are beyond Diamondback's control and could cause the actual results or developments to differ materially from those currently anticipated by the management of Diamondback. Information concerning these risks and other factors can be found in Diamondback's filings with the Securities and Exchange Commission, including its reports on Forms 10-K, 10-Q and 8-K. Diamondback undertakes no obligation to update or revise any forward-looking statement as a result of new information, future events or otherwise.
